*'Aspire, Believe, Achieve'*

*We want our pupils to move from us, confident, curious, articulate, creative, independent and well-prepared for their next stage. We want to produce collaborators, innovators, leaders and, more than anything else, young people who understand what it is to be human.*

### Festival of Friends

Festival of Friends is a national project, created to support children who come from military families and help them through many challenges they may face, such as moving between schools or separation between deployed family members. Lincolnshire's event was held at BG University and some of our children were invited to share what we do at Tealby School.

The day included a talk with RAF STEM colleagues,

a workshop learning about the Red Arrows and Britain's Got Talent's Steve Royle - giving lessons on how to juggle! The beautiful displays made by students from Lincolnshire's project schools, touching on themes around military children, help around relationships, and the environment were displayed proudly for everyone to enjoy.

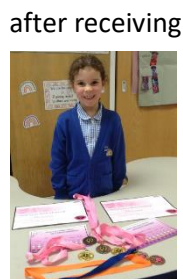

An official ceremony finished off the exciting day with a show from Steve Royle and each school received an award for their much appreciated participation from representatives from the Armed Forces

### Who is feeling super proud this week?

Tilly was so proud of her gymnastics award this week – well done Tilly!

Harry was full of smiles this week after receiving his football award – well done!

More awards for Beatrice – just look at all these medals and certificates for her dancing. Wow!
